

# Want the Eastside to be a Clean Energy Leader? Make Your Voice Heard!

Join CENSE in supporting Sierra Club's #CoalFreePSE campaign!

PSE generates nearly 60% of its power from fossil fuels (Seattle Times April 13, 2017).

**We can do better.**

It's time for the Eastside to lead the transition from fossil fuels to renewable energy and smart technology that reduce carbon emissions. Innovative technologies are already being produced by local clean-tech companies in the Puget Sound region.

## **What can you do?**

### **Show up!**

**Sierra Club will rally on the NE 4<sup>th</sup> Street 405 Overpass every Wednesday in July and August.**

Show PSE and the City of Bellevue that you care about clean energy, green jobs and a sustainable future.

### **When**

Every Wednesday in July and August from 4:30 pm to 6:30 pm

### **Where**

NE 4<sup>th</sup> Street 405 Overpass • Bellevue WA

### **Why**

Preserve our great quality of life on the Eastside, protect the environment, and support local jobs in the rapidly growing clean-tech sector. Our children will live in the world we make today.

**Clean energy, green jobs, beautiful cities – it just makes CENSE**
